

Native Wildflower Garden Kits

SCHOOL GROUNDS KIT

- \$55 each plus tax
- A tray of 18 native wildflowers in 10cm (4") pots
- Plants specially chosen because they:
 - o Are hardy, beautiful and perennial
 - o Have particular interest in the spring and fall/winter (when students are in school) for flowers, foliage or seeds
 - o Attract butterflies and other beneficial pollinators
 - o Are great for EcoSchools Schoolyard Greening projects
 - o Cover approximately 40 square feet at maturity

Each School Grounds Kit Contains:

- 2 Wild Strawberry
- 2 Wild Columbine
- 2 Blazing Star
- 1 Pearly Everlasting
- 2 Swamp Milkweed
- 1 Canada Wild Rye
- 2 Black Eyed Susan
- 2 Anise Hyssop
- 2 Smooth Aster
- 2 Lance Leaved Coreopsis

Species may vary throughout the season depending on availability

Please ask us about plants that best suit your planting needs.
